More information at swisscom.ch/inone-sme

1 The following are billed according to standard roaming tariffs: calls/SMS/MMS within the EU/Western Europe after roaming days used up, calls outside the EU/Western Europe after allowance used up, SMS/MMS outside the EU/Western Europe above 1,000/month. Data: data connection is blocked after allowance is used up. For additional surfing, data packages can be purchased at cockpit.swisscom.ch. Detailed country list and general tariffs at swisscom.ch/sme-roaming

2 Allowances valid for almost all countries. Detailed country list, excluded countries and general tariffs at swisscom.ch/sme-roaming

3 Detailed country lists and tariffs for other country groups outside the EU/Western Europe at swisscom.ch/sme-international

4 Download speed throttled to 128 kbit/s after data allowance used up.

5 Multi Device for surfing and calls with the same phone number on one or two additional devices. Usage up to 20 GB (two devices: 40 GB) in Switzerland (not available in Liechtenstein) is free. If more than 20 GB (40 GB) is used, connection speed is reduced. However, no further costs are incurred. The cost of this option is not included in the subscription price. Further info at swisscom.ch/multidevice

Unlimited calls/SMS/MMS: charges apply to calls/SMS/MMS to business, short and special numbers. All subscriptions are suitable for normal personal use. If Swisscom detects that usage significantly exceeds normal levels or if there are signs that the connection is being used for special applications (e.g. surveillance, machine-to-machine, direct dialling or constant connections), Swisscom reserves the right to withdraw or restrict the service, or to take other suitable measures, at any time. swisscom.ch/fup
