It's best when everything comes in a **flexible package**.

The best mobile network, high-speed Internet, tailor-made services and state-of-the-art IP telephony: inOne SME combines all your business communication – both in the office and on the move – in a single package.

## inOne SME mobile

Unlimited calls, SMS/MMS messages and Internet throughout Switzerland – on Switzerland's best network. You also enjoy an international roaming allowance.

## inOne SME office

### Business Internet

High-speed Internet, with a fixed IP address if required, and a router specifically developed for SMEs offer you the best possible surfing experience.

### Business Service

Personal advice by SME specialists. Thanks to the "Internet Backup" failsafe guarantee, you can continue surfing and making calls uninterrupted via the mobile data network if your Internet connection fails.

### Business Telephony

Thanks to state-of-the-art technology, you can benefit from new functions in the office and make calls from your fixed network number on your mobile with the Business Telephony app.

### Optional: Swisscom TV

inOne SME can be combined with Swisscom TV Public for public viewing or with Swisscom TV L for private use.

## inOne SME with 15% SME benefit

Now you can benefit from a 15% discount on all inOne SME mobile subscriptions in your company in combination with inOne SME office – on as many Mobile subscriptions as you like.

Tailored to meet your requirements with complete flexibility.

With inOne SME, you can combine the different components – mobile, Internet, service and telephony – to meet your requirements. You therefore only use and pay for what you actually need. More information on the next page and at [swisscom.ch/inone-sme](http://swisscom.ch/inone-sme)

1 The following are billed according to standard roaming tariffs: calls/SMS/MMS within the EU/Western Europe after roaming days are used up, calls outside the EU/Western Europe after allowance is used up, SMS/MMS outside the EU/Western Europe above 1,000/month. Data connections are blocked after allowance is used up, or beforehand if roaming days within the EU/Western Europe are used up first. For additional surfing, data packages can be purchased at [cockpit.swisscom.ch](http://cockpit.swisscom.ch). Detailed country list and general tariffs at [swisscom.ch/sme-roaming](http://swisscom.ch/sme-roaming)

2 Allowances valid for almost all countries. Detailed country list, excluded countries and general tariffs at [swisscom.ch/sme-roaming](http://swisscom.ch/sme-roaming)

3 Detailed country lists and tariffs for other country groups outside the EU/Western Europe at [swisscom.ch/sme-international](http://swisscom.ch/sme-international)

4 Download speed reduced to 128 kbit/s after data allowance used up.

5 Multi Device for surfing and calls with the same phone number on one or two additional devices. Usage up to 20 GB (two devices: 40 GB) in Switzerland (not available in Liechtenstein) is free. If more than 20 GB (40 GB) is used, connection speed is reduced. However, no further costs are incurred. The cost of this option is not included in the subscription price. Further info at [swisscom.ch/multidevice](http://swisscom.ch/multidevice)

6 Speed with fibre optic connection and Centro Business 2.0. Customers with copper connection and Centro Business 2.0 enjoy maximum down- and upload speeds of 100/20 Mbit/s with L and M, or 40/8 Mbit/s with S. Check availability at [swisscom.ch/checker](http://swisscom.ch/checker)

7 Guaranteed fault repair by next working day: we will prioritise restoring your services and ensure they are operational by the next day (within 10 hours during support hours, i.e. Mon–Fri 8am–7pm and Sat 8am–5pm).

8 CHF 9.–/month with PAYG tariff (with Business Telephony L, M and S) or CHF 19.–/month with free national calls (only available with Business Telephony L). PAYG tariff: CHF 0.08/min to all Swiss landline numbers, CHF 0.30/min to all Swiss mobile numbers, incl. Liechtenstein. Calls charged to the nearest CHF 0.10.

9 Applies 24/7 to all fixed network and mobile numbers in all EU/Western European countries, mainland USA and Canada.

**Unlimited calls/SMS/MMS: charges apply to calls/SMS/MMS to business, short and special numbers. All subscriptions are suitable for normal personal use. If Swisscom detects that usage significantly exceeds normal levels or if there are signs that the connection is being used for special applications (e.g. surveillance, machine-to-machine, direct dialling or constant connections), Swisscom reserves the right to withdraw or restrict the service, or to take other suitable measures at any time.
