Make Your Business Communications Simple and Reliable

Yealink T4 series brings you perfection and performance with build-in modern technology
Boasting innovative, feature-rich and user-friendly designs

The Yealink T4 series is intended for discerning users with very high expectations of reliability and simplicity for IP phones. Yealink T4 series, as the first IP Phone integrating BroadSoft'sUC services, provide seamless integration with BroadSoftUC-one platform. The T4 series is not only pleasurable and practical to use but also offers extra-large display screens that make pen and paper redundant in the busy office environment. Enhanced sound quality is delivered by the Optima HD Voice system which meets TIA 920 certification standards.

Accessories

Yealink accessories range from expansion modules to USB dongles and professional headsets. They increase the usability, impact of your existing collaboration network, and maximize the compatibility of the solutions. Yealink EXP40 Expansion Modules are ideal for receptionists, administrative assistants, call center agents, etc., who need to monitor and manage a large volume of calls on regular basis. The BT40 USB Dongles help users with added convenience of wireless technologies. The over-the-head style YHS32 headset combines durable life cycle, superior voice quality and competitive price, to ensure remarkable comfort and performance.

LCD Expansion Module EXP40

- Rich visual experience with 160x320-pixel graphical LCD
- 20 physical keys each with a dual-color LED
- 2 independent control keys for fast switching pages
- Stand with 2 adjustable angles, Wall-mountable
- Support SIP-T46G, SIP-T48G

Bluetooth USB Dongle BT40

- Support up to 10m Range
- Compatible with v4.0+HS system
- Support SIP-T46G and SIP-T48G
- Wideband audio support

Headset YHS32

- Ultra noise cancelling microphone
- 330° rotatable microphone boom
- Ultra light weight (only 50g) and comfortable wearing

Wall-mount kit

All Yealink T4 series can be wall-mounted safely and securely. The wall-mount kit has one Wall Mount Bracket and Quick Installation Guide, making installation simple and efficient.

AC Adapter

Yealink T4 series are normally powered by Power over Ethernet (PoE) in most customer environments. You must order optional AC Power Kits separately if your T4 series phones are not powered by PoE.

Yealink AC Adapters are energy efficient Level V compliant with a choice of regional interfaces –support for 100-240VAC and 47-63Hz inputs.

Wireless Headset Adapter EHS36

- Full compatible with Jabra, Plantronics, Sennheiser
- Plug and play, Easy to use
